DETAILED ACTION

Allowable Subject Matter

2. Claims 1-22 are allowed.

3. The following is an examiner's statement of reasons for allowance: Parsons (U.S. 3,237,716) teaches a band member (Fig. 2, No. 21) that acts as an attachment member (Fig. 2, No. 18-25). The amendment to independent Claims 1 and 8, "wherein the heat insulator, the attachment member, and the band member are separate elements" necessitates the band member and the attaching member be distinct, which the prior art fails to teach.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
